CLIFF NUMARK
COUNCILMAN

CITY OF TORRANCE

January 8, 2010

To Whom It May Concern:

The City of Torrance has partnered with ShareFest for several years, and in those years, I have witnessed the impact the organization has had on Torrance. ShareFest has used its Workday and Youth Development Academy to serve many residents in effective ways that have transformed this community.

The City of Torrance is a proud supporter of the lasting impact that ShareFest has upon the communities they work with and hope you all will consider them as a recipient of the annual Del Amo Rotary Club's "Night of Comedy" fundraising event.

Sincerely,

Cliff Numark
Councilman, City of Torrance
