SHAREFEST ANNOUNCES 4TH ANNUAL WORKDAY EVENT

Torrance, CA - ShareFest Community Development today announced its annual workday will take place on May 19th. More than 45 churches and civic organizations will participate in 68 different community service work projects in the greater South Bay area. Nearly 3,000 volunteers are expected to participate in the day's events.

The work projects vary in size and nature from large park restoration efforts to smaller backyard projects to help neighbors. Local schools will be a major focus of many projects this year. All work is done at no cost to the recipients.

ShareFest Community Development, Inc. is a non-profit charitable organization. It is funded through donations, grants and volunteer hours. ShareFest is currently seeking additional support in all areas.

“We are very excited about the number of projects we have received proposals for this year” said Chad Mayer Managing Director of ShareFest Community Development. “In the past finding a place for volunteers was a challenge. That’s one we won’t face this year. After three years, and our participation on **Extreme Makeover:Home Edition**, the community recognizes it can trust us to do good work and deliver what we promise”.

ShareFest’s vision is to unite the South Bay and meet the deepest needs within the communities of south western Los Angeles County. Cities within this area include El Segundo, Manhattan Beach, Hawthorne, Lawndale, Gardena, Carson, Hermosa Beach, Redondo Beach, Torrance, Harbor City, Lomita and the communities of the Palos Verdes Peninsula. For more information on how to donate or volunteer visit www.sharefestinc.org or call 310-626-8106
