## ShareFest Organizes Workday

[PRINT](#)

**Liberty Thyme, LHC**

With the help of ShareFest, over 5,000 volunteers covered Harbor area sites, many at schools and parks, to fulfill the needs of the kids and community.

One particularly bright example was the Dirt Lot of Dreams where a large crowd gathered around the newly placed trailer at Denker and Del Amo to celebrate their new community center and to join in with ShareFest and Mayor Villaraigosa in the Harbor Day of Service.

For the past three years, the mothers in Harbor Gateway have sent their children to play in the dirt lot, used as a makeshift community center.

This years Workday the LAPD Harbor Division donated a module for the center. ShareFest, along with Cornerstone Construction Group, provided more than \$50,000 of free labor to turn it into a Boys and Girls Club and community center, with after school programs and services for youth and adults.

Villaraigosa thanked everyone for their great contributions.

"I especially want to thank the Harbor Gateway South Neighborhood Council for donating \$25,000 towards to complete the project," Villaraigosa said.

Coverage of other areas served can be found inside, on page 5 and more details about the new community center on page 9.
