To Whom It May Concern:

I have been a proud support of ShareFest for several years now and my office has participated in their Annual Workday and summer programs for local youth. ShareFest brings together people of all ages and abilities for a common cause: to help those in need. Just last year, ShareFest organized more than 8,000 volunteers to complete over 250 community projects across the entire South Bay for their Annual Workday.

Headquartered in Torrance, many of the projects and youth served come from their own community. I applaud their efforts and encourage you to join me in supporting their work as they plan to continue to beautify Torrance and make a lasting imprint of positive change for residents, students and staff.

If you have any questions, please feel free to contact me at (213) 974-4444 or my South Bay Deputy, Steve Napolitano, at (310) 222-3015 or at snapolitano@lacbos.org.

Sincerely,

DON KNABE
